

## **Surgery Drop-Off Instructions**

### **When to drop off?**

Between 7:30am and 9:00am the morning the surgery is scheduled.

- **CATS AND DOGS CAN NOT HAVE FOOD OR WATER AFTER MIDNIGHT THE NIGHT BEFORE SURGERY.** All exotic pets (any pet that is not a cat or dog) may continue with food and water as usual.
- Be sure to bring in all records of vaccinations with you the morning you drop your pet off for surgery. Without proof of vaccines, the required inoculations will be given the morning of the surgery.
- All coupons and certificates must be presented when the pet is dropped off.
- Deposits may be required the morning the pet is dropped off.
- You may drop your pet off the night before surgery. There is an additional charge for boarding and the pet must be dropped before 8:00pm.
